

Democrat vs DEMONcrat
www.DemocratDEMONcrat.com

Are there lots of good, honest, working Democrats in America who care about their communities? But, are good Democrats running and controlling their party or are the wicked Democrats, the DEMONcrats?

Do ICE rioters & Congress, Governor & Mayor Democrats (DEMONcrats?) want more American girls & women raped & killed by illegal foreigners living in America?

Do DEMONcrats lie, cheat, steal and want more crime in America?

LIE ~ Chuck Schumer, Congress Democrats (DEMONcrats?) and the Democrat (DEMONcrat?) media, do they lie to the good Democrats and American people?

CHEAT ~ Do DEMONcrats want boys and men to cheat by competing against girls and women in sports? Does FAIR = If born male, compete against males.

STEAL ~ How many billions of dollars did the Somali DEMONcrats steal from the American people with their fake childcare and other schemes? And, did the Minneapolis mayor, Congresswoman Omar and Governor Walz know about the corruption and continue to let them steal?

MORE CRIME ~ District Attorneys who let criminals free instead of putting them in jail are they DEMONcrats who don't care about good kids and adults in American communities? And snap, DEMONcrat judges want more stealing & fraud?

In the past did the Democrat party have DEMONcrats? Such as the Klu Klux Klan and those who wanted segregation, to divide black and white people.

Did the good Democrats, Republicans and Independents work together to end segregation?

Did the good Democrats create CRT, Critical Race Theory, to divide people by their skin color again, or was it the DEMONcrats?

Do DEMONcrats create darkness in America? And, with Karma do bad things come back to those who do bad things?

If there be good Democrats & DEMONcrats one shouldn't call them all the Left.

When the darkness grows in our world are those of the light brought together? A person lighting a candle in a dark room causes the darkness to fade, the light of many candles and many people joining together causes the darkness to disappear.
